Welcome to the Canaan Downs Festival.

Welcome to our celebration of the full diversity
of Aotearoa music & culture.

Featuring a line up of local legends,
underground heros and quiet
celebrities. Canaan Downs Festival
has brought together a remarkable
presentation of true roots New
Zealand talent to be enjoyed in a
stunning natural location.

This year the Festival is laying the
ground work for an event where Live
Bands, Producers, Dj's, Vjs,
Performers and Artists can showcase
their creativity across multiple stages
and multiple nights in one of the most
unique venues our country has to
offer.

Canaan Downs is responsible for the
inspiration of thousands of people
across a decade of events. The
Canaan Downs Festival is a return to
the goodness that can be found by
bringing all people, all styles together
in once place to celebrate the New
Year.

There is a collective history that has
founded the Canaan Downs Festival.
A history written by the music and
events of many people all over New
Zealand. The Canaan Downs
Festivals brings these histories
together in one place at one time.

So, Takaka Hill, Nelson Bays and
Canaan Downs once again becomes
the gracious host to what will be one
of the nicest of parties to end the year.

Getting here and being here is what
makes the Canaan Downs Festival
experience. This is our place, this is
our time to re-connect to the rhythm
and the beat of Aotearoa.

Music and performance will span 3
days from the 29th Dec til the 1st
Jan, with the site and village
remaining open until the 2nd of
January. We want to ensure you have
a chance to rest and relax before
driving home safely after the festival.

WHITE ELEPHANT RADIO

Broadcasting on **107.7fm** at Canaan Downs
Streaming online now at **www.we.org.nz**

Camping & Site Info

The festival site is 2500ft above sea level, and as such is exposed to the elements. Bring plenty of warm clothing, and be aware that the weather can change very quickly.

There is plenty of camping area around the site - but to get your pick of the space, its best you come early. There is about a 5 minute walk from the camping area to the village, and music stages.

The Canaan Downs Festival is a family friendly event. There will be a dedicated family camping area set up, which is in close proximity to the kidzone, as well as the music stages. Let the gate staff know on your arrival that you would like to camp here and they will direct you.

Please keep within the boundaries of the festival, and as you wander around during the day or night be careful of obstacles and natural hazards. There are some large sink holes in the area which can be unsafe, so please stay within the general festival site area.

The festival site can be very dry over this period, so please do not light any fires. Designated fires will be lit in controlled and monitored areas.

See the site map (inside back page) for camping areas, and the general layout of the site

Facilities

Portaloos

Several banks of portaloos will be set up around the general site. These will be serviced at least twice a day for the duration of the event.

Cellphones

Please note that there is no cellphone coverage at the festival. We do have emergency facilities available, but they will only be used if any serious incidents occur.

Eftpos

There will be eftpos systems operating on site both at the front gate, and inside at the Cosmic Corner General Store. Please ensure you bring cash with you also.

Water

There will be treated drinking water available next to the village. The supply is limited so we do encourage you to bring your own drinking water also.

Ambulance

Medimax Ambulance will be onsite 24 hours a day for the duration of the event. The onsite ambulance officers include Intensive Care Paramedics and Registered Nurses, so in the unlikely event of an injury you will be well cared for.

No Dogs.No Glass.No Fires

www.canaandowns.com

Drugs & Alcohol Policy

The Canaan Downs Festival is a no alcohol event. Please do not bring alcohol on site. We reserve the right to search your bags and your vehicle. Any alcohol found will be confiscated.

The Canaan Downs Festival does not condone the use of drugs. It is illegal to take, to buy or to sell drugs. Drug enforcement laws are as applicable on site as anywhere else in the country. If you deal in drugs, it is likely that you will be removed from the site by security and the police notified.

**get into it
not out of it!**

Its about the music

Information & Welfare

Experimenting with drugs can lead to adverse reactions. The size and nature of the Festival can be very frightening and disorientating, and taking drugs could spoil your enjoyment of the event.

If drugs are part of your lifestyle you'll know the sense in not buying anything from dealers at a festival. The likelihood of getting ripped off is high, and there is a risk that what you buy could be harmful and even life threatening.

If you do take drugs and you become ill, depressed or frightened please ask the crew or your friends to direct you to the on site medical/ambulance staff. They are available 24 hours a day, and are fully trained in emergency first aid.

The choice is yours but be aware that taking any drug is risky, the safest option is not to do it at all.

The Village

The Village at Canaan Downs Festival is designed to give festival goers a place to relax, meet friends and hang out in the shade. It's a place to find information, eat, drink, and buy funky clothes and wares from some of New Zealand's best designers.

In the Cosmic Corner teepee you will find their usual assortment of funky collectibles, as well as a general store in case you forgot your toothbrush, toiletries or need some batteries.

White Elephant Trust will be hosting a radio station playing chilled out music during the days.

Charlie's/Phoenix will be selling juice and sodas in glass bottles. Please be sure to dispose of these bottles in The Village glass recycling areas.

There will also be heaps of rubbish bins around so please use them.

Eftpos will be onsite at The Village, but there will be a charge.
We strongly advise everyone coming to the Festival to bring cash.

Please respect the land, and use the recycling bins around the site to dispose of all rubbish.

Kidzone

All children aged 12 and under are admitted FREE as long as they are accompanied by a ticket holding adult.

Every day at the festival, there will be loads of fun activities to keep the children entertained. Fililpa Fox and Jay the Juggler, along with a few volunteer helpers will be hosting the Kidzone, which will be open from 10am-9pm each day.

An array of activities will be on offer for the duration of the festival including juggling workshops, arts and crafts, magic shows, face painting and much more.

There are no creche facilities, so you should make arrangements within your group of friends and partners for someone to be supervising your kids at all times, even in the Kidzone.

Check out and download the full program of kidzone activities from www.canaandowns.com

The .3rd Resistance

In the presence of the ancients of mu in the back of cave on a desolate beach around 3am, at a party constructed from the tattered edges of an ancient dream the .3rd Resistance was born!

Over time the message of the .3rd Resistance has spread. Whispers on the underground, behind the scenes, at the fringes and in the inter-zone people rally to the cause. Quietly and collectively seeking the evolution. Keeping the ancient dreams alive: freedom on all frequencies, unity for all people, everyone dancing together as one!

The .3rd Resistance is a collective of kindred, the deep school and the true hearts: a vagabond rabble of Tech heads, Vj's, Dj's, chefs, dykes, colonists, artists, a couple of natives, a continuity expert, a fruity themer and at least one or two grandparent.

You will find them covertly infiltrating organizations, hijacking sound systems, inserting secret broadcasts, feeding back the party vibe and intercepting allied transmissions for filtering, freaking and retransmission.

Visit the 3rd Resistances Unit Base during the Canaan Down Festival for three nights of eclectic electronica from true school NZ Dj's & Producers. Expect dance floors before midnight with chill out sounds arriving with sunrise.

The .3rd Space

Alongside their primary sound system the .3rd Resistance will pursue a mission objective to infuse Sonic Arts & Deep Chill into the .3rd Space.

Via a mission equipped Unit Control the .3rd Resistance will emanate pulsing layers of sound scape, ambient drones and deep chill sounds.

Transmitting frequencies across the central Festival site via a specialist diffusion system the space between zones (the 3rd Space) will be infused with an evolving ambient soundtrack for the duration of the Festival.

Enter the heart of .3rd Space in the sink hole next to the 3rd Resistance zone and experience performances of Sonic Arts, Live ambience & 3rd Space.

Or you tune your radio into the 3rd Space via the "Radio Freedom" FM frequencies and experience real time sound scapes of the Festival. **"Radio Freedom" is broadcast on 88.5FM, 106.7FM, 107.7FM.**

Experience multi-layered sonic infusions of the Festival via the 3rd Space! Functioning on the fundamentals the .3rd Resistance is deep in your future.

Resistance is no longer futile!

The Tribal Zone ✕

A space for me and you to get back to Papatuanuku (Mother Earth) - A Place to get back to basics. Come and enjoy the tribe, the vibe, and dance to the beat of the drum. This zone is for you, bring your instruments, stories, performance, fire toys, knowledge and share. We have performance space and tipis available for you to do talks, workshops, etc, So bring it to the Tribal Zone and add to your festival.

contact William
tribevibemusic@hotmail.com
with your ideas.

Visuals & VJ's ✕

As the spectacular scenery of Canaan Downs falls into darkness you will be witness to one the most eclectic mixes of visual arts manipulation witnessed over the NYE period. Visual Artists from all over the country will be performing at the event to create delights specially for the eyes to feast upon.

Getting Waste-ed(ucation to the people of caanan) X

Canaan Downs want to be good to the earth and are aiming to be a zero waste festival!

Respect Mother Earth, replenish your soul, be good to the land and let the positive energy roll. The rivers, the hills and the air up above, need you to place value on them, and give all of your love. While the beats and the boogie will soar through the land, Mother Nature needs your helping hand. Waste is a resource, you can use it again, the message of zero waste is simple and plain. So look out for ways that you can reduce – recycle and reuse, three ways waste minimisation successfully fuse.

What does this mean?

Zero waste is a concept that means all waste products are seen as resources and returned to a usable form. Of course for some materials this is difficult, so use of these materials will be minimised wherever possible. The aim for zero waste is to eliminate and not just manage waste. Before coming to the festival plan what you are bringing and what will happen to things when you are done with them.

What can you do to help?

The 4 R's.....

RESPECT - respect Mother Earth, ensure that you dispose of everything you bring in a respectful way and leave the festival site happy and healthy.

REDUCE - reduce the amount of waste you will create during the festival. Think about what you will bring and what impact your waste may have on the environment. On average festival goers create half a kilo of waste per day, which amounts to 0.4 kg of CO₂. Reducing waste is one way to target local environmental pollutants and contribute to global environmental health – Yus!

REUSE - use materials that can be used again wherever possible.

RECYCLE - there will be facilities on site for recyclables, compost and waste to landfill. Look out for these colours and signs for your nearest facilities.

Recycle

Compost

Waste to landfill

Thank you for contributing to keeping the Canaan site beautiful. If you would like to volunteer on the waste team in exchange for a free ticket contact Kim on caananwasteteam@gmail.com

How To Get There

From Motueka to Canaan Downs

Drive North through Motueka and follow State Highway 60 up Takaka Hill. At the top of Takaka Hill turn right onto the Canaan Road which is signposted, and follow this road down into the festival site.

From Christchurch to Motueka

Head north on State Highway 1 until you reach Waipara. Take the left hand turn and follow State Highway 7 until Springs Junction. Turn right just after Springs Junction onto State Highway 65. Follow this road to the end, and turn right onto State Highway 6. Follow State Highway 6 until you reach the Kotahu Pub and turn left. This road will take you through directly to Motueka.

From Westport

Follow State Highway 6 inland until you reach the Kotahu Pub and then turn left. This road will take you to Motueka.

From Picton

Follow the signposted road from Picton to Havelock where you will then meet State Highway 6. Follow this road to Nelson, and continue through to Richmond. Just after Richmond take the right hand turn onto State Highway 60, and this will take you straight through to Motueka.

The 11km access road is both narrow and winding so please be careful when driving to and from the festival.

WHAT TO BRING: Your Ticket! Tent. A warm sleeping bag. Plenty of warm & wet weather clothing. Food. Water & water containers. Cash. Torch & spare batteries. First aid gear. Any prescription medication you may need. Sun cream. Insect Repellent. Camera. Contraceptives. Toiletries. Earplugs.
